# 2002 Dodge Ram 1500

1. The price of the truck is \$4,499 and the taxes were \$371.17

2. 8 cylinder automatic

3. Has a 26 gallon fuel tank

4. Has 11 city mpg and 16 hwy mpg

# Financial

I had a credit score of 640 which I am able to take out a loan if I need to but i just can't buy everything I would like to.

I chose a 2 year loan plan because the car wasn't a lot of money and monthly payments will be \$270.08

# Budget changes

I had to make no changes to my budget because my car payments were low enough.
